Donations over and above membership:

The Society supports and encourages Members to make general donations beyond the budgeted contribution amount for use where it is most needed. The Society will also gratefully receive requests for extra donations to be directed to specific activities they wish to support. However, in the event the Society determines that the activity ceases to operate, achieve its objects and/or becomes redundant or unused, the Society reserves the right to redirect funds related to such activity to general donation revenues and hence to areas of greatest need in the Society's charitable work.

Receipts are mailed in early 2020 from the Society or directly from Canada Helps.
